

First Steps

Nursery Activity Sessions

Spring 2019

The Rainbow team; (Nicky and Liz) open their doors fortnightly on Friday afternoons to invite any pre-school children with special needs and their families to join us from **1.45pm - 2.45pm.**

These fortnightly sessions are very informal where there are opportunities to play, chat, explore and access a short group activity. We also have a lovely outside play area and sensory music garden for you to enjoy.

Nicky and a member of the class team are available to talk through any questions and sign post services that may be useful to you. If you have a child with special needs, do come along and join in the fun. SENCOs, Portage teachers and other professionals working with children with special needs are also welcome.

Refreshments for children and adults are provided and you will have the opportunity to meet other parents and children as well as other professionals. Our aim is to answer any questions you might have and to signpost you to relevant organisations that might be able to support you and your family.

There is no need to let us know if you are coming - just turn up.

We look forward to welcoming you and your child. Please contact the school if you have any questions.
