

# Friends of Limington House

It has been another busy term of events and fundraising and as a result of your generosity over the past couple of years we are pleased to announce that we have provided the school with funds towards the "under construction" sensory music area, multiple iPads, a soundbeam unit, a magic carpet system and a donation towards the upcoming trim trail project. Thank you for your amazing support!

This term we have enjoyed meeting parents at our coffee mornings along with interactive and informative visitors. There will be another meet next term with a flyer coming out soon. All parents and carers are welcome. The Valentine's disco was great fun for all that came along. There will be another disco during the Summer term. We saw many of you at Parents' Evening recently and we hope that you enjoyed the refreshments provided. Thank you also to those that bought our gifts and had fun playing on the magic carpet.

Our Easter Fayre took place recently and we would like to thank you, your families and friends for providing cakes or donations or by volunteering on the day. It was an excellent event, well attended and enjoyed by all. We had amazing support too from local crafter's and small businesses along with organisations that some of you may already know of outside of school - Sebastian's Action Trust, Swings and Smiles, Premier Sports and RCS who run one of the local Gateway events. The grand total raised so far is £1242.36. Thank you again!

We are looking into fundraising for other projects and you can find the suggestions form on the school website or email us on [contactFOLH@gmail.com](mailto:contactFOLH@gmail.com). Paper forms are available at coffee mornings.

Friends of Limington House AGM and next committee meeting:

We will be holding our 2017 AGM on Thursday 4th May at 7pm in school. If you have not received your invite letter and nominations sheet, please let us know immediately. We need just 30minutes of your time. Our next Committee meeting follows the AGM, 7.30-8.30pm in school. All parents and carers are welcome.

Finally, the Friends of Limington House Committee would like to wish you all a lovely Easter break and we look forward to seeing you all again next term.
