Headteacher: Justin Innes

Dear Parents and Carers,

I am attending a meeting on Friday 20th March with other Hampshire Special School Headteachers with Steve Crocker (Director of Hampshire Children's Services) and Brian Pope (Assistant Director of Hampshire Children's Services).

This is following the Government announcement yesterday about school closure and schools reopening for vulnerable and EHCP pupils. We will be asking Hampshire Children's Services to explain this directive more explicitly and for us to work together to see how we will move forward with this.

The health and safety of all of our staff and pupils is of paramount importance during these exceptional circumstances. I will keep you all updated.

Many thanks for your support.

Yours sincerely,

Justin Innes
Headteacher
