

Green Class Home Learning 20th April

Hello, I hope you are all well and managed to enjoy Easter despite the difficult circumstances. I have put together some activities for you to try at home this week if you want to. They link to our topic of Exciting Egyptians! Remember to keep it short and Stay Safe. Lee

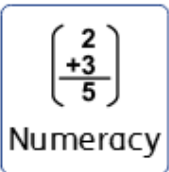

Literacy

If your child uses Lexia please continue to do so from home. I will post out any skill building worksheets to you to consolidate work on their current level.

Share a story together 'We're Sailing Down the Nile'

<https://www.youtube.com/watch?v=rLWZRn1Q0uY>

Talk about the story structure (rhyme) and ask your child to pick out words that sound the same. Practice writing some of the new words and explain what they mean e.g. Pharaoh = king.

Numeracy

If your child uses Numeracy Warm up please continue to do so and explore the Shape, Patterns and Statistics part of the website.

Birds feature a lot in Hieroglyphics. Look out for different types of birds in the garden or while out exercising and create a tally-provided below. If you can take photos even better!

<https://www.education.com/activity/article/brick-making/>

Make mini mud bricks to build with. Count the sections in the tray. Can you share out $\frac{1}{2}$ or $\frac{1}{4}$?

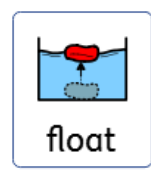

Science

sink

Scavenger hunt-can you find 10 things that sink and 10 things that float? These can be things from your house, garden or things that you find when out getting your exercise.

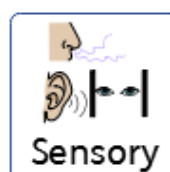

float

Art

Make your own papyrus-easy recipe on Twinkl. Tearing or cutting the paper is also great for improving fine motor skills

<https://www.twinkl.co.uk/resource/t2-h-5707-papyrus-craft-activity>

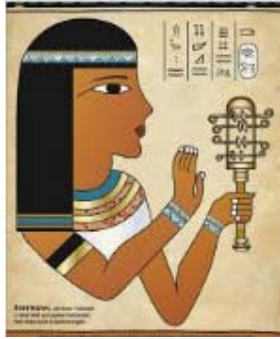

Sensory

Make the river Nile out of silver foil and make moon sand to explore -you can add food colouring and essential oil for added sensory experience <https://afewshortcuts.com/how-to-make-moon-dough/>

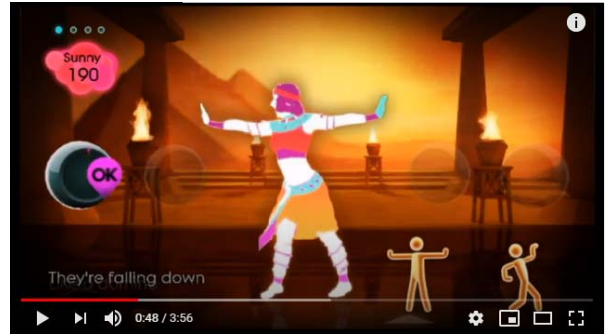

Make an Egyptian Sistrum...
pinterest.com

Make your own instrument-
(sistrum) from cardboard
and bottle tops.

Do PE with Joe Wickes or for something a little less energetic follow the link to Walk Like an Egyptian :-)

Hot Dog Mummies! Ghoulishly good! Encourage your child to find the ingredients and equipment needed, read the recipe steps if they are able and don't forget to make them help to clean up afterwards.
