

Blue Class

Blue class enjoyed reading and sharing their favourite books on Roald Dahl day. In cooking we had great fun creating the infamous Bruce Bogtrotter cake from 'Matilda'.

We pretended to eat the whole thing but in reality a small slither was enough!!

We also had great fun getting into character as we celebrated 100 years of Roald Dahl!!

Other special days included learning about Judaism and Hinduism, where we handled special artefacts and learned about other peoples' beliefs and values.

We enjoyed creating Rangoli patterns and door hangings. We also learnt about Lakshmi, who is the Hindu Goddess of wealth and fortune.

We supported Jeans for Genes day by coming to school in our jeans and making biscuits.

We have also been learning about different animals and what they might eat. We have created food chains and learned exciting new words such as predator and prey!

More recently some of us have been reading 'The Lion, The Witch and The Wardrobe' and have been amazing our teachers with our fantastic recall of the story. We cannot wait to find out how the story ends this week.

Our number and shape skills are progressing fantastically and we have been enjoying a range of activities, stories and games to help us explore, name and describe 2D and 3D shape; as well as learning to apply our number skills to real life.

Blue class would like to wish everybody a very merry Christmas and a happy New Year!!
