

Blue Class:
Activity
update
Week
beginning: 27th
April 2020

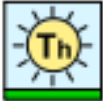

We hope you are enjoying the good weather. The following activities are for you to enjoy at home.

Communication and Maths:

Learn the days of the week, with their Makaton signs. Singing hands UK on YouTube is great for learning the signs but once you know them you can use any day of the week song.

<https://www.youtube.com/watch?v=CoR3zRL3ECc>

Below are the symbols for the days of the week to facilitate any discussions you have.

 Monday	 Tuesday	 Wednesday	 Thursday	 Friday	 Saturday	 Sunday
---	--	--	---	--	---	---

Music:

In Blue class we love to dance and sing!

Explore different dance styles. Have a 'dance off' or have your own "Strictly come dancing" competition. Dress up according to your chosen dance style and video your performances to enjoy again later.

In class, our favourites are KidzBop and Just Dance videos on YouTube.

ASDAN:

Play a turn taking game. This can be a board game or just taking it in turns to play with a toy.

Ideas:

- Play noughts and crosses
- Board games like connect4 or pop up pirate.
- Take turns mixing when cooking
- Put a 5 minute timer on for toys and take it in turns to play, for example, iPads, bubbles, trains.
