

Limington House School Choir

Our school Makaton signing choir has been working extremely hard this term and has welcomed new choir members from across the school

We have been practicing for our Easter performance at St Andrews Church. We love singing and dancing to 'Hop, Hop, Hop' and have worked hard to remember all the words and signs in 'All Things Bright and Beautiful'.

We got together with School Council this term and asked them to choose a special song for us to perform. We really enjoyed performing 'True Colours' from 'The Trolls' film. We made sure that we used lots of facial expression and big bold movements to give you a performance to remember.

We are very excited to find out which songs we will be singing and signing next term and we hope to see you at our Harvest Assembly at St Andrew's Church.
