

# Limington House School Choir

Our school makaton signing choir has had great fun this term by singing, dancing and signing despite the recent heatwave!

At the start of the term we asked School Council to help us choose a song to learn. They chose Bruno Mars - 'Count on Me.' We have really enjoyed practicing this song as Bruno Mars is one of our favourites!

# Limington House School Choir

We have also been learning 'A Thousand Years' by Christina Perry. It is such a beautiful song that we decided to perform it for Lottie at her recent retirement tea party. Lottie loved our performance and we heard that some of the teachers had tears in their eyes watching and listening to us sing!

We have loved every minute of our rehearsals this term and we are looking forward to new challenges and welcoming new choir members next term.

We hope that you have a lovely summer and enjoy the sunshine!
