

**Limington House School**  
**Primary Sports Funding 2017-2018**

We have been allocated £16,360 for this financial year to spend on specific sports developments as identified by the Department for Education.

We aim to use this funding to enhance and improve the quality of physical education for all primary children at Limington House School.

<b>Focus</b>	<b>Objective</b>	<b>Outcome</b>
Improve the quality of teaching and learning of physical education lessons.	To develop the skills and confidence of school staff to deliver a broad, balanced and inclusive PE curriculum with support from Premier Sport.	Premier Sport have supported the delivery of lessons in the primary PE curriculum. This has developed the skills and confidence of school staff in these classes and has improved the quality of teaching and learning of physical education lessons.
Improve the physical activity levels of pupils in physical education lessons.	To provide all pupils with a wide range of opportunities to be physically active through an inclusive sports provision with support from Premier Sport.	Premier Sport have worked closely with school staff in the primary classes to provide an inclusive sports provision with a wide range of opportunities. This has improved the physical activity levels of pupils in physical education lessons.

<b>Focus</b>	<b>Objective</b>	<b>Outcome</b>
Improve the quality of teaching and learning of swimming lessons.	To develop the skills and confidence of school staff to deliver a high quality swimming award scheme with support from a qualified swimming coach.	The qualified swimming coach has supported the delivery of swimming lessons for all pupils in the primary department. This has developed the skills and confidence of school staff in these classes and has improved the quality of teaching and learning of swimming lessons with a high quality swimming award scheme.
