

## Limington House School

### Pupil Premium Grant 2019-2020

The aim of the Pupil Premium Grant is to support schools in raising the achievement of pupils who are vulnerable to possible under achievement. Schools are free to spend the Pupil Premium Grant as they see fit but are required to publish the amounts they are funded, use of this and detail the outcomes and evaluations on attainment.

**In the financial year 2019/2020 Limington House School received £31,775**

Our aim, when spending PPG, is to raise attainment through enhanced learning opportunities. In line with our School Improvement Plan our funding will be used to support learning, inclusion and behaviour and this year will include:

- Enhanced staffing levels supporting core subjects
- Sensory occupational therapist and sensory equipment
- Purchase of ICT and other specialist learning resources
- Specialist seating to enable access to the curriculum
- Snack provisions to support communication, choice and social interaction

<b>Initiative</b>	<b>% PPG pupils</b>	<b>Cost</b>	<b>Impact and Evaluation</b>
Enhanced staffing levels supporting core subjects.	100%	£10,000	Enhanced staffing levels which maximised learning and attainment opportunities across all core subjects.
Sensory occupational therapist and sensory equipment.	52%	£10,000	Sensory occupational therapist provided specific sensory programmes for individual pupils which improved engagement levels.

<b>Initiative</b>	<b>% PPG pupils</b>	<b>Cost</b>	<b>Impact and Evaluation</b>
Purchase of ICT and other specialist learning resources.	100%	£7,000	Greatly improved the appropriate and effective use of alternative and augmentative communication systems which supported and enabled pupils to learn.
Specialist seating to enable access to the curriculum.	24%	£4,275	Enabled equal access to the curriculum promoting engagement opportunities to learn safely, confidently and improved well-being.
Snack provisions to support communication, choice and social interaction.	76%	£500	Improved communication, personal and social skills. Greater understanding of healthy eating. Increased independence giving the ability to learn life skills for a purpose.
