

Friends of Limington House

Registered Charity No. 282635

The Charity Friends of Limington House thank you for your support so far this year.

The charity would like to also take this opportunity to thank Lorraine O'Donnell for all her many years of support as a friend and latterly as Chairperson.

This term we have supported the school at parents' evening and organised a very successful Easter disco, which was enjoyed by lots of families.

I would also like to mention that Ben Callow, father of a child who attends Limington House School, will be running 10 marathons in 10 days totalling a whopping 262 miles. The last day being Saturday 27th April where Ben will be running his final marathon at Down Grange between 9am - 4pm. The Friends of Limington House will be supporting this event with a cake and refreshments table. We will be sending out paper plates soon asking for any help with donations for any cakes or bakes, which would be very gratefully received. We look forward to seeing many of you there on the day to help support Ben.

We are actively looking for other ideas for fundraising, so if anyone has any ideas big or small, you could always pop a note in your child's book bag addressed to FOLH and we will be sure to receive it.

Wishing you all a fantastic Easter break.

Regards

Helen Reid
Acting Chairperson and
Treasurer

Friends make the world a nicer place...
